Mr. Mead brings over 17 years of experience in the general contracting and construction management industry. In 1999, Mr. Mead worked for ICD (Innovative Concrete Design) as a working foreman/superintendent on foundations and site concrete for high end custom homes in South Orange County. In 2003, Mr. Mead went to work for KPRS Construction Services as a Project Engineer. He later fulfilled the role of Superintendent and Senior Superintendent, specializing in areas of: retail, office, industrial, and medical facilities. In 2009, Mr. Mead was introduced to Steve Murow on KPRS's "Brea Plaza Expansion" project, while serving as the general superintendent of onsite construction. It was there, Mr. Mead and Steve Murow solidified a working rapport with one another as Steve oversaw the construction management operations of an offsite box culvert running parallel to the project. In 2014, Mr. Mead worked for CW Driver overseeing the construction of a \$150MM high school in Irvine, CA. Mr. Mead later reunited with Steve Murow and joined **Murow|CM** as a senior construction manager for both vertical and horizontal improvements in the land development industry.
