Mr. Mason brings over 12 years of experience in the general contracting and construction management industry. In 2004, Mr. Mason began his career with the Meeker Companies as a Superintendent where he supervised the construction of 125 single family homes and 300 pad ready lots. He worked closely with the grading and utility contractors and oversaw the entire construction process through bond release. In 2013, Mr. Mason went to work for KPRS Construction Services as a Superintendent specializing in the areas of retail, medical, and industrial development. During his time at KPRS, he was the superintendent on a 322 acre ground up redevelopment of the Azalea Shopping Center in South Gate, California. Mr. Mason was directly involved with scheduling, RFI's, submittals, costs, delay tracking, change orders, LOIs, LOAs, safety, quality control, and coordination with municipalities. In 2015, Mr. Mason joined **Murow|CM** as a senior construction manager for both vertical and horizontal improvements in the land development industry.
